NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2014

The financial statements cover The Church of Jesus Christ of Latter-day Saints Australia as an individual entity, incorporated and domiciled in Australia. The Church of Jesus Christ of Latter-day Saints Australia is a company limited by guarantee.

The financial statements were authorised for issue on 15 May 2015 by the directors of the company.

Note 1: Summary of Significant Accounting Policies

The directors have prepared the financial statements on the basis that the company is a non-reporting entity because there are no users who are dependent on its general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the *Corporations Act 2001*. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The financial statements have been prepared in accordance with the mandatory Australian Accounting Standards applicable to entities reporting under the *Corporations Act 2001* and the significant accounting policies disclosed below, which the directors have determined are appropriate to meet the needs of members. Such accounting policies are consistent with the previous year unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical cost unless otherwise stated in the notes. The accounting policies that have been adopted in the preparation of the statements are as follows:

Accounting Policies

(a) Income Tax

The company is endorsed as a charitable institution by the Australian Taxation Office and is exempt from income tax under Subdivision 50-B of the Income Tax Assessment Act 1997.

(b) Comparative Figures

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

(c) Revenue

Revenue from donations is measured at the fair value of the consideration received and is recognised upon the receipt of cash or of control of an asset other than cash. Interest revenue is recognised as it accrues using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

(ABN 84 114 483 091)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2014

Note 1: Statement of Significant Accounting Policies (continued)

(d) Contributions

The company receives non-reciprocal contributions from the Church of Jesus Christ of Latter-day Saints and members of the Church for no or a nominal value. These contributions are recognised at fair value on the date of acquisition upon which time an asset is taken up in the Statement of Financial Position and revenue in the Statement of Comprehensive Income.

(e) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

(f) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value, less, where applicable accumulated depreciation and any impairment losses.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of expected net cash flows that will be received from the assets employment and subsequent disposal.

The depreciable amount of all fixed assets is depreciated on the straight line basis over the assets useful life to the entity commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Motor Vehicles	20.0%

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

(ABN 84 114 483 091)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2014

Note 1: Statement of Significant Accounting Policies (continued)

(g) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership are transferred to the company are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum leases payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses on a straight line basis over the lease term.

(h) Impairment of Assets

At the end of each reporting period, the Company reviews the carrying value of its assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the assets carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the Statement of Comprehensive Income.

Where the future economic benefits of the asset are not primarily dependent upon the assets ability to generate net cash inflows and when the entity would, if deprived of the asset, replace its remaining future economic benefits, value in use is depreciated replacement cost of an asset.

Where it is not possible to estimate the recoverable amount of a class of asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

(i) Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits expected to be settled within one year together with benefits arising from wages, salaries and annual leave which may be settled after one year, have been measured at the amounts expected to be paid when the liability is settled plus related on costs. Employee benefits payable later than one year have been measured at the net present value of the estimated future cash outflows to be made for those benefits. Contributions are made by the entity to an employee superannuation fund and are charged as expenses when incurred.

(ABN 84 114 483 091)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2014

Note 1: Statement of Significant Accounting Policies (continued)

(j) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST, where applicable.

(k) New Accounting Standards for Application in Future Periods

The AASB has issued a number of new and amended Accounting Standards and Interpretations which are mandatorily applicable for future reporting periods. The Directors have decided not to early adopt any of the new and amended pronouncements. The Directors have assessed the effect these new and amended pronouncements will have on the company and have determined that none will materially impact the company's financial statements.

DIRECTORS' DECLARATION

The Directors have determined that the company is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies described in Note 1 to the financial statements.

The Directors of the company declare that:

1. The financial statements and notes, as set out on pages 5 to 15 are in accordance with the *Corporations Act 2001*; and
 - (a) comply with the Australian Accounting Standards applicable to the company; and
 - (b) give a true and fair view of the financial position as at 31 December 2014 and of the performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements.
2. In the directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of the Church of Jesus Christ of Latter-day Saints Australia (the company), which comprises the statement of financial position as at 31 December 2014, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies, other explanatory notes and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Corporations Act 2001* and is appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australia Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*.

Opinion

In our opinion, the financial report of The Church of Jesus Christ of Latter-day Saints Australia is in accordance with the *Corporations Act 2001*, including

- a. giving a true and fair view of the company's financial position as at 31 December 2014 and of its performance for the year ended on that date; and
- b. complying with Australian Accounting Standards to the extent described in Note 1 and the *Corporations Regulations 2001*.

Basis of Accounting

Without modifying our opinion, we draw your attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the *Corporations Act 2001*. As a result, the financial report may not be suitable for another purpose.
